To Whom it May Concern

Tony Leahy, Heating & Plumbing Services Ltd., 10, Melbourn Close, Donnybrook, Douglas, Cork, has been on a panel of Contractors who carry out adaptation works to Cork City Council's housing stock in respect of tenants with a disability since 2005.

The works carried out under the Disabled Tenants scheme generally involves bathroom adaptations, ramps, railings and installation of gas heating systems.

During this period, Cork City Council has found Mr. Leahy's work to be entirely satisfactory and he remains on the panel of selected Contractors currently.
