To Whom it may Concern,

This letter is to state that Tony Leahy Heating and Plumbing Services Limited has undertaken work for my company for the past five years.

His company has repaired, serviced and replaced numerous gas boilers. In addition his company has done various repair works in heating and plumbing.

The work that has been done by his company has always been of an excellent standard and I would highly recommend the company.

If you have any queries, do not hesitate to contact me.

Yours Sincerely,
